Rocket Recall class focuses exclusively on exercises to help you build a reliable and fast Come. Learn how to supercharge your recall word, use food and non-food rewards including natural prey drive, build attention in distracting environments, and practice recall increasing distance and distractions with fun games.

Loose Leash Walking class teaches you the techniques to enjoy a stress free walk for both you and your dog. Class includes exercises building attention on handler, a casual “loose leash” walk without pulling, and a closer “heel” with your dog right next to you. Distractions and difficulty are increased through fun games.

All Classes & Behavior Modifications are conducted by Bella Woof Owner & Certified Professional Dog Trainer (CPDT, AKC CGC), April Bove-Rothwell, who has practiced rewards-based training, an effective & safe form of behavior modification, for 25 years for non-profit animal welfare institutions such as the San Diego Zoo, San Diego Humane Society and UC Davis.
